'Wine makes every meal an occasion, every table more elegant, every day more civilized'

ALLERGENS AND VINTAGES

Although we offer a selection of organic and bio-dynamic wines, it should be assumed that all wines on this list contain sulphur dioxide.

It is not possible to guarantee continuity of all vintages and producers in this list and in some cases a suitable alternative may be offered

CORAVIN – WINE BY THE GLASS

The Coravin is a system that allows our sommelier to pour some of his favourite vintage wines by the glass, without ever pulling the cork and normally only offered by the bottle.
